

USA NATIONAL RUGBY 7s CHAMPIONSHIP

PRESENTED BY WASHINGTON ATHLETIC CLUB

An Invitation to Sponsor

After the cancellation of last year's seasons due to the global pandemic, USA Club Rugby is excited to see the return of this end-of-season sevens tournament! Presented by the Washington Athletic Club, the USA National Rugby 7s Championship returns to Starfire Sports Complex for the first time since 2014. This 32-team: 16 men, 16 women, tournament that features Clubs from all over the country is expanding this year – adding a second tier of competition in the Silver Cup to increase the event's accessibility and national footprint. Each match is 14 minutes long and we anticipate 96+ matches across the weekend-long event. We are looking for businesses and organizations excited to support this event while promoting their services and/or mission as we celebrate the Club Rugby community returning to sevens play.

PLATINUM SPONSOR – \$10,000
